COMPANY INTRODUCTION

YUHUAN HANDING HVAC CO.LTD. is an integrated company of industry and trade. We are specialized in the heating line products, including manifold, manifold fittings, mix valve system, air vent, thermostat, stainless steel hose and so on.

With 15 years experience in international market, we guarantee the perfect balance between the best possible price and the best quality required in western market! In addition, we have obtained ISO9001 quality certificate and CE certificate.

At the same time, we search and supply some other products required by our customers also. Dedicated to strict quality control and thoughtful customer service, our experienced staff members are always available to discuss your requirements and ensure full customer satisfaction. Our products are mainly exported to such countries and regions as German, UK, Netherlands, Italy, Poland, Romania, Russia, Ukraine, Argentina and many other countries. Adhering to the business principle of mutual benefits, we have had a reliable reputation among our customers because of our professional services, quality products and competitive prices.

100+
Countries

3000m²
Factory Area

10Million Pcs
Annual Output

WORKSHOP EQUIPMENT

We focus on lean production and use professional equipment to improve production efficiency and ensure that customers receive goods in a timely manner.

PRODUCT PROCESSING

Our product craftsmanship is meticulously designed and executed, aiming to provide you with high quality and exceptional experiences.

TESTING EQUIPMENT

Product quality control is a link we care about very much. Each process of product production will undergo three strict inspections.
